

Welcome Letter

Dear Parents,

¡HOLA! Welcome to the 2007-2008 school year. My name is Mrs. Fernandez and I am privileged to be your child's Spanish teacher this year! As the Spanish teacher for all grades I have many exciting plans for this year. We will not only be learning a new language, but we will be learning the different cultures that speak Spanish. The classes will be celebrating a variety of holidays and celebrations relative to the Hispanic culture.

I was born and raised in Miami, FL and I have recently moved to the Dayton area. My native language is Spanish. I graduated from the University of Miami with a Bachelor's degree in elementary education.

As part of your supply list I would like for each student to have a folder with paper specifically for Spanish class. Those students in the sixth, seventh, and eighth grade will need to have a Spanish-English dictionary which they will need to bring each time to class.

Please feel free to come and visit my class anytime throughout the school year. Communication is a key component for a successful class and school year. You may call or e-mail me. All my contact information can be found below. I know if we work together your child will have a successful year!
