

St. Albert Nutrition Services Mother Brunner School Cafeteria

Dear Parents & Students,

The link between nutrition and academic performance is well documented. Proper nutrition and healthy eating patterns are essential for students to achieve their academic potential, obtain physical and mental growth and develop lifelong health and well being. Your school cafeteria is committed to the wellness of your students. Below are our 2010-2011 prices and some nutritional sites for your children and our own nutritional newspaper found on the Cafeteria Website.

To add funds to your students lunch account, go to the school website, Online Payments – payment form. Of course you can always send in checks and cash in separate envelopes with child's name and pin number.
